KELLY FORTIER
K FORTIER STUDIOS
OWNER AND ARTISTIC DIRECTOR

Kelly is a native of New Orleans, where she received her early dance training. She went on to study and dance with the Houston Ballet, The Hartford Ballet and in New York City. She danced as a soloist with Dallas Opera from 1984 until 1988 when she retired from her performance career. In 1988, Kelly and Constantin Apetrei founded the Apetrei Dancenter, their school and

the non profit pre professional ballet company, BALLE APETREI. In 2014, Kelly became the sole director of both of these entities and in 2018 founded THE ARTWALK, an art gallery within her studio in which she hosts events that bring all art forms together including visual, musical, voice, culinary, theater and of course..dance! This year 2021, Kelly decided it was time to put her own name on her studio and renamed the Apetrei Dancenter... K FORTIER STUDIOS for her 34th year of providing excellence in dance training along with providing opportunities for young dancers in our community to perform in professional productions of the highest caliber, including The Nutcracker. Kelly also brings in professional dancers, teachers and choreographers to work with the talented young dancers here in St. Tammany. Kelly started a scholarship and dance program for Boys and Girls Club of America in Covington and is a great advocate and contributor to the arts in education in our schools. Kelly was also chosen as an honoree of women of the year in 2019 for her contributions to our community by the Professional Women of St. Tammany. In her words.... I cannot express my gratitude for the opportunities I have been gifted to teach and mentor thousands of dancers over the last 33 years and provide the best of ballet productions for our audiences to enjoy. I am excited for myself, the studio, and my dancers future! Many epic adventures are planned.... Roostered Up and Riding! Always always always “dancing toward the future”!

K Fortier Studios is the official school of Ballet Apetrei. All ballet classes are taught using the Russian Vaganova method. The School is a professional ballet school offering classes for ages 4 and up. The studio also offers classes in other disciplines including: jazz and contemporary. All students of the studio have the opportunity to perform in Ballet Apetrei’s production of The Nutcracker each December and in the School’s recital in May.
